For the Herald of Freedom.

BURLINGTON, Oct. 19, 1858. G. W. Brown, Esq. :- I observe, in the last issue of your paper, two articles upon the county seat in Coffey county, based upon what you term "reliable information," and embodying statements se entirely erroneous that I am unwilling to let them pass unnoticed. The late election for the location of the county seat, was Eloquently responded to by C. W. held under the provisions of a special act Helm, who thought the ladies capable of of the Legislature, temperarily locating ject of the meeting, followed by W. P. 'spreading" for themselves, and closed the same at Burlington, and requiring a with a happy allusion to, and wish for majority of all the votes cast to remove it. E. L. Taylor and H. S. W. Marsh the future fame of our distinguished guest. The majority clause was, by some over-Mr. Stanley was also called for, and sight, left out of the printed copy of the laws; but prominent gentlemen from Leroy and other parts of the county, had irty examined the original, in the office of the well this particular provision, as did the

With this understanding, and in despite the efforts of sectionalists and fa-of the fact that, from the diversity of natics for our overthrow. local interests involved, no place would receive a majority of all the votes, no particular effort was made, except upon the part of the citizens of Leroy, who succeeded in polling two hundred and polled at Burlington, although in the previous election Burlington polled the largest vote. These facts have a significance

According to your published statement Leroy received seven votes more than Burlington; the "other contestants" rewould ride on with the glorious flag of ceived about one hundred votes, a large star dimmed, but others, with new luster, for Burlington, on a test between that place and Leroy. In view of these facts, and the fact that both the Probate Judge of the county and Governor of the Terricounty seat remains at Burlington, it is difficult to understand upon what your "reliable informants" base their state-

In regard to the assertion that the county seat had been twice located at Leroy formerly, I offer my corroboration, with this explanation: During the second session of the first Legislative Assembly, some gentlemen, " petitioners " from Leoy, being in sympathy with that body, applied and obtained the location of the Free State party. By their acts they county seat, and the appointment of the county officers at Leroy. This was the well their conduct in the process of legislocation by petition, with which the peo- lation. Such care was not observed by ple of the county generally had nothing the last Legislature, and it committed to do, and were entirely dissatisfied, inso-ters, which well nigh ruined the cause. much that a petition was circulated and Let the members, just elected, go to very numerously signed, asking a removal work in earnest, and be governed entirely fr. Bliss.

Mr. Colby offered: "Kentucky, the oldact of the Legislature of 1856, for the public welfare. Let it abstain from agito Burlington, under the provisions of an public welfare. Let it abstain from agitating impracticable questions, to consume permanent location of the county seat, by time and create turmoil commissioners to be elected by the people. The county (Leroy) authorities established precincts in several places in the county, at which the bulk of the vote was cast, a be carefully avoided. Let necessary lolarge majority of which was against the cal legislation be attended to, when esteroy candidates; whereupon these authorities discovered that the establishment when there is no scheme of speculation connected with it. We want read and
